Owen P. Gross is a Partner of Sklar Kirsh LLP in the Real Estate Department. Owen has over 20 years of experience as a transactional real estate attorney representing lenders, borrowers, buyers, sellers, developer partners, equity partners, governmental agencies, tenants, and landlords, with respect to all types of properties. The breadth of Owen's experience allows him to work on virtually all aspects of very complicated transactions, from due diligence to drafting and negotiating the primary documents at all stages of a real estate project and to understand the differences between, and the unique aspects of, raw land, office complexes and buildings, mixed-use projects, storage, hotels and restaurants, redevelopment projects, single-family residential developments, multi-family housing (both affordable and market), houses for rent, shopping centers, industrial, and warehouse and distribution centers.

Having represented lenders as diverse as life insurance companies and national banking associations to private equity and municipalities, Owen has extensive experience with transactions secured by real property, documenting land, construction, affordable housing, off-balance sheet, bridge, and permanent loans as well as lines of credit, both at origination and for modifications. Over the course of his legal career, Owen has also worked on mezzanine loans and subscription lines of credit secured by ownership interests in entities that primarily own real property.

Owen has worked on numerous purchase and sale and joint venture transactions, as well as having significant experience coordinating with local counsel on large, multi-state portfolio transactions for everything from reviewing title to issuing opinions. Owen also often acts as local counsel on similar transactions because of his regular contact with out of state firms.

Prior to joining Sklar Kirsh, Owen was Senior Counsel at Cox Castle & Nicholson and a Shareholder at Richards, Watson & Gershon.

Owen is a member of the State Bar of California and the Executive Committee of the Real Property section of the Los Angeles County Bar Association. He has been selected to the Southern California Super Lawyers List for 2019 and 2020. He was named one of The Best Lawyers in America for 2022 and 2023.

Owen received his Bachelor of Arts from the University of Southern California, graduating *cum laude*, and earned his Juris Doctor from U.S.C., Gould School of Law.

Having grown up in Manhattan Beach, Owen still surfs and skateboards and also plays soccer and fences.
